ROLE OF a DRAUGHTSMAN...

Draughtsmen played an important role in the Harland & Wolff Drawing Offices. They made detailed technical plans and drawings of ships, including the exterior and interior design.

H&W draughtsmen created plans and drawings for White Star Line ships including RMS Titanic, RMS Olympic and SS Nomadic.

Take a look at this picture of H&W draughtsmen working in the Drawing Offices and answer these questions.

Why do you think there are windows in the ceiling?

.....

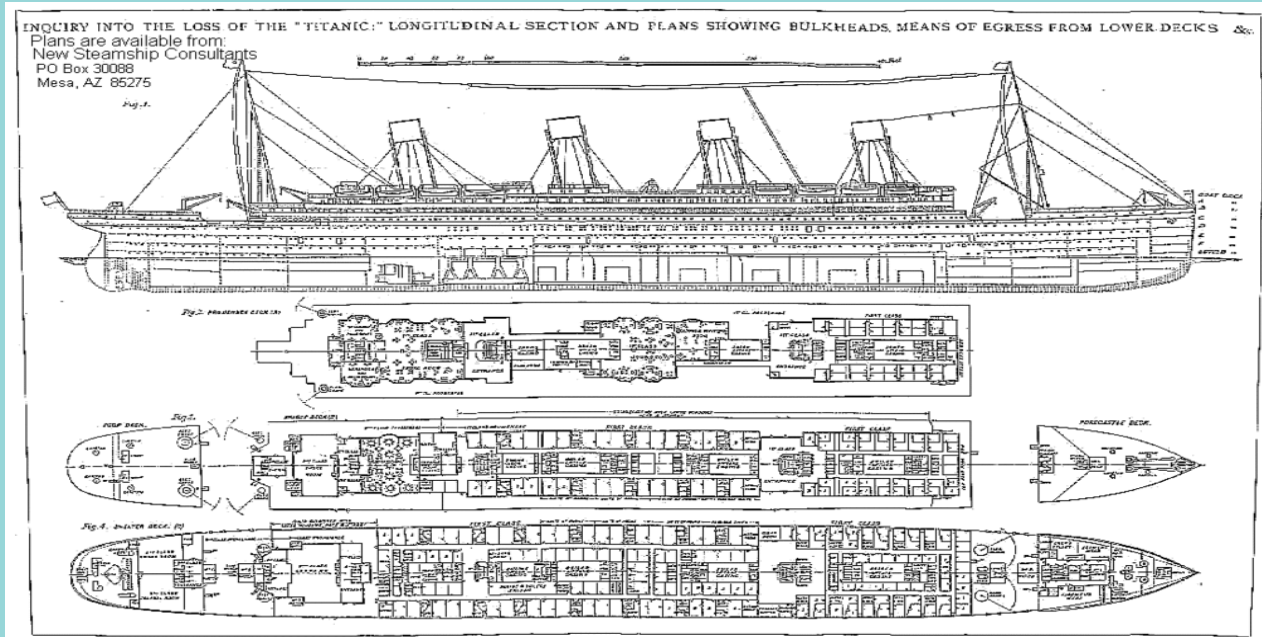

Is there anything missing that you would find in an office today?

.....

Take a look at the plans for RMS Titanic below.

The draughtsmen created extremely detailed plans of the ship - it included every room and window onboard!
