

TITANIC BELFAST

FIND YOUR WAY AROUND THE STORY

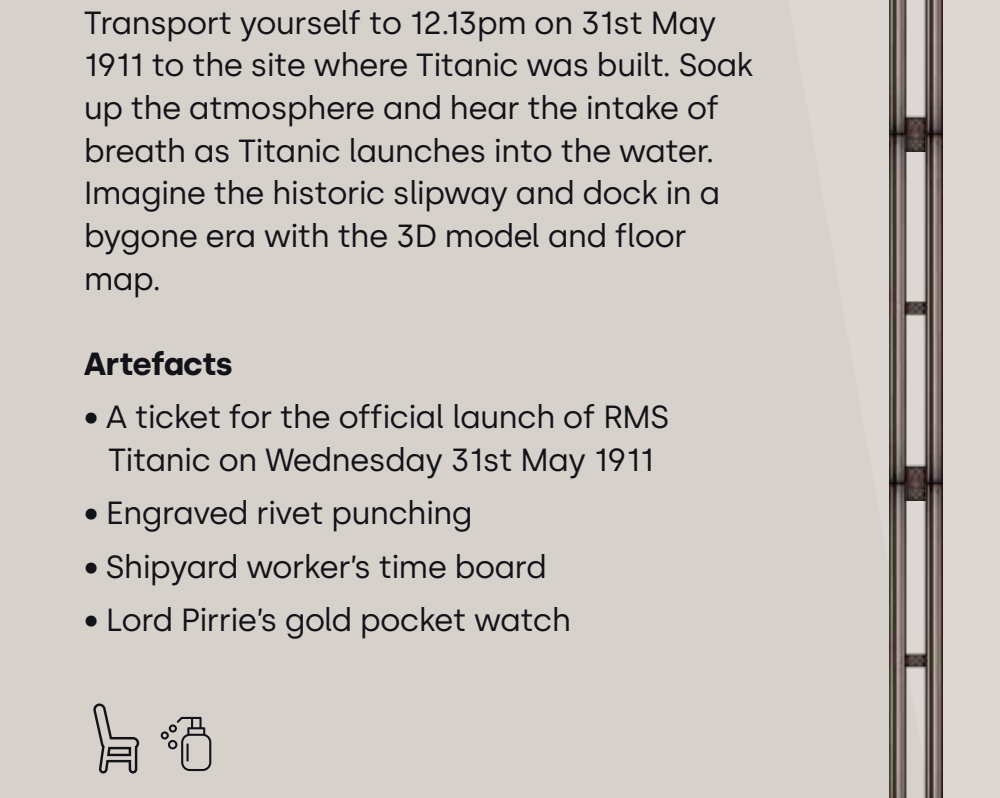

BOOMTOWN BELFAST

Explore Belfast's booming industries and see why Titanic was built in this thriving city, try your hand at communicating with the Marconi device, like the one used on Titanic and witness the conversation between James, the butler, and his colleague.

Artefacts

- Original paraphernalia from Gallaher's, Mitchell's & Ross's
- Declaration of shipyard name change
- Deed of Partnership for Queen's Island Shipbuilding & Engineering Company

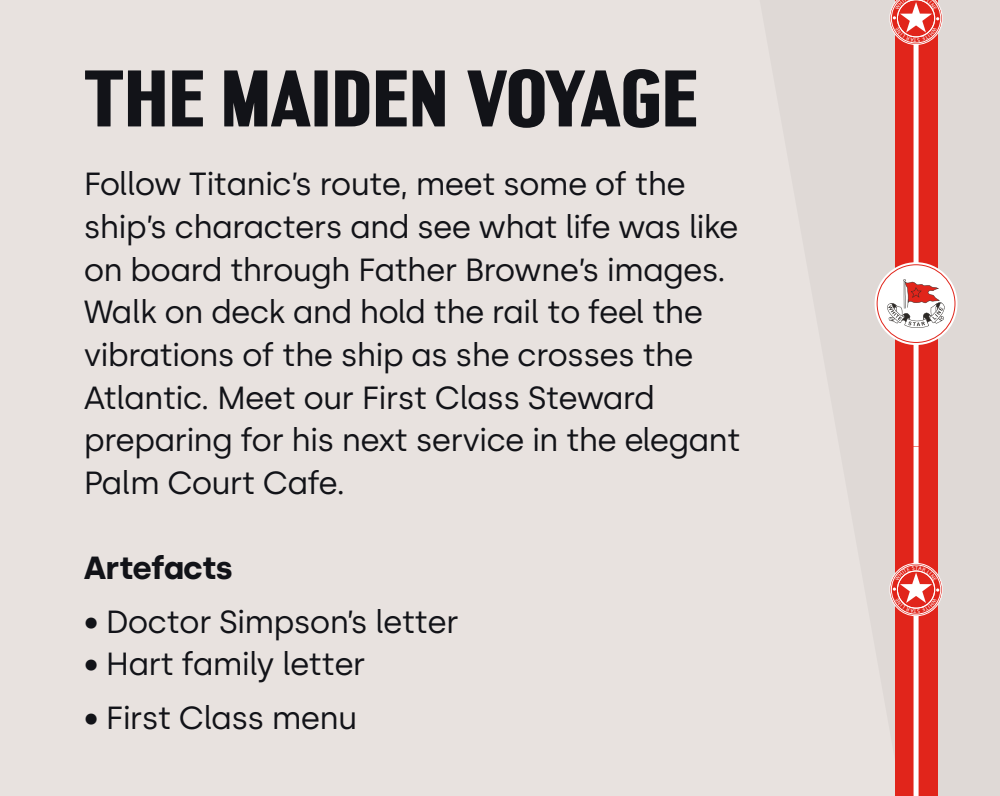

THE SHIPYARD

Explore the blueprints of Titanic and test your skills on the interactive floor. Look at the scale of the Arrol Gantry and imagine working at those heights. **Take the lift to Level 4** to feel the heat of the steel and hear the riveters at work on the Shipyard Ride (queues possible).

Artefacts

- Time clock from Harland & Wolff Drawing Offices
- Original 19th century Harland & Wolff gates
- Shipyard electrical salaries notebook detailing Thomas Andrews' salary

THE LAUNCH

Transport yourself to 12.13pm on 31st May 1911 to the site where Titanic was built. Soak up the atmosphere and hear the intake of breath as Titanic launches into the water. Imagine the historic slipway and dock in a bygone era with the 3D model and floor map.

Artefacts

- A ticket for the official launch of RMS Titanic on Wednesday 31st May 1911
- Engraved rivet punching
- Shipyard worker's time board
- Lord Pirrie's gold pocket watch

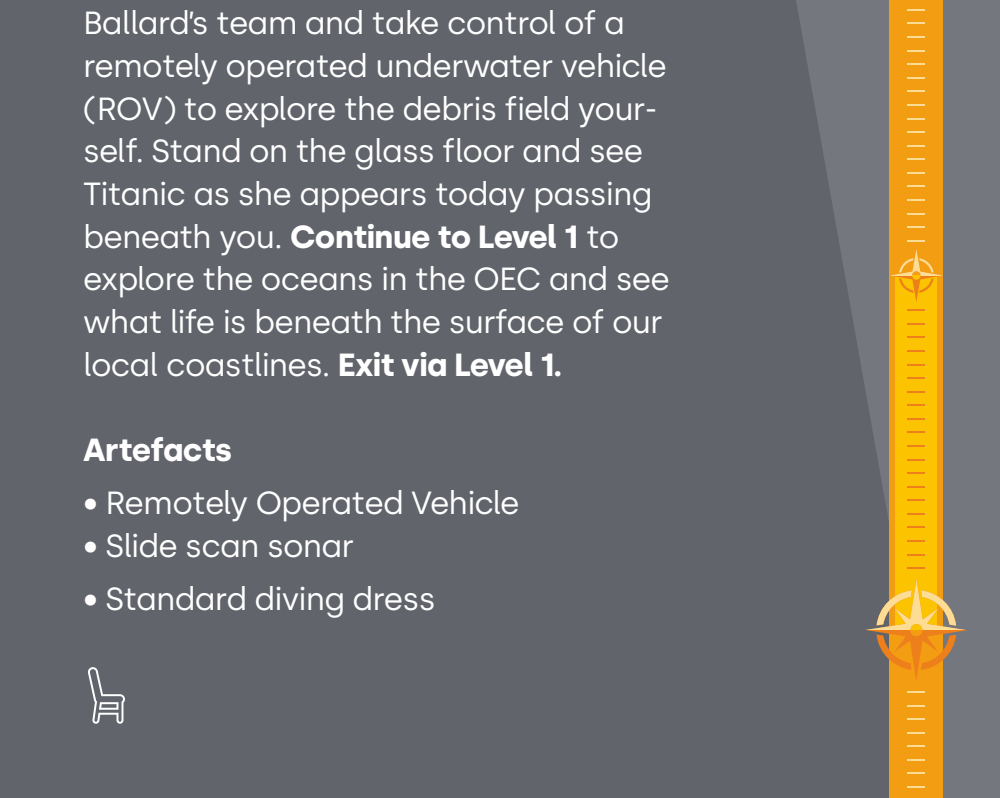

THE FIT-OUT

Explore the ship from the boiler room to the staircase and up to the bridge on the 3D tour. Get to know the passenger quarters of Titanic. Discover the cabins, the fabrics, the crockery and listen to the music of Wallace Hartley's band as the passengers would have enjoyed it.

Artefacts

- White Star Line promotional brochure for Olympic and Titanic
- White Star Line china

THE MAIDEN VOYAGE

Follow Titanic's route, meet some of the ship's characters and see what life was like on board through Father Browne's images. Walk on deck and hold the rail to feel the vibrations of the ship as she crosses the Atlantic. Meet our First Class Steward preparing for his next service in the elegant Palm Court Cafe.

Artefacts

- Doctor Simpson's letter
- Hart family letter
- First Class menu

THE SINKING

Take yourself to 11.40pm on 14th April 1912 when Titanic tragically hit the iceberg. Feel the atmosphere change as darkness falls. Listen to survivors tell their stories and 'read all about it' in the world's media.

THE AFTERMATH

Follow the wall of white lifebelts **down to Level 3** and the life-size replica lifeboat. Hear witnesses testify at the inquiries into the tragic sinking, see the Board of Trade plan used in the British enquiry and investigate whether you have any links to the Titanic story through the databases of passengers.

Artefacts

- Board of Trade plan

MYTHS & LEGENDS

Walk beneath the H&W cranes and enter modern times to see how the significance of the Titanic story has captured the world's imagination through film, theatre and literature. Test your knowledge of Titanic through an interactive quiz.

TITANIC BENEATH

Explore the wreck of Titanic with Dr. Ballard's team and take control of a remotely operated underwater vehicle (ROV) to explore the debris field yourself. Stand on the glass floor and see Titanic as she appears today passing beneath you. **Continue to Level 1** to explore the oceans in the OEC and see what life is beneath the surface of our local coastlines. **Exit via Level 1.**

Artefacts

- Remotely Operated Vehicle
- Slide scan sonar
- Standard diving dress
